### Packing and Shipping Rates

Our packing, shipping, and insurance rates are charged to you at cost. In order to ship the wine properly and on time, we urge you to have your wine shipped to a business address. When shipping to a residential address, the shipping company has an additional \$5.00 fee per box. Please remember that an ADULT SIGNATURE is required for delivery of wine. All California deliveries will be shipped "Ground" unless otherwise requested. All other states are shipped "2 Day Air" as standard service.

The following states do not allow direct wine shipments: MA, NH, PA, UT, and WV. Please contact us to try to figure out a solution. You may give us a shipping address in another state where these restrictions do not apply. For more information on state laws regarding wine shipments, visit [www.freethegrapes.org](http://www.freethegrapes.org).
